### Annual Meeting

## Saturday, January 11, 2020

Rev. Lewis M. White (c. 1837-1917)  
White's Chapel cemetery and church  
were both named for the Reverend

As another year comes to an end, we are looking forward to coming together at the annual meeting of the Association. The Meeting will be held on January 11, 2020, 10:00AM at the Whites Chapel Methodist Church, 185 S. Whites Chapel Road, Southlake, Texas. As always this is an important meeting for the Association. This once a year meeting will review the maintenance and care of the cemetery for the past year and set goals for the coming year. The Maintenance Committee is already working on some monument straightening and cleaning. Because of the importance of this meeting we are encouraging every member to attend. We hope to see you there.

This past year we launched a new website which we think is much more user friendly. From the website you can locate each grave by name and plot number and we would suggest you browse the records to find your loved ones. Traditionally the families placed curbs around their family plots including those to be reserved for the family. Those reserved spaces are still in effect. However, some of you may want a reserve marker placed. If you would like a reserve marker placed on your plots please contact the Secretary/Treasurer Larry Hutchens at (817) 584-4233 ([lhutch@sbcglobal.net](mailto:lhutch@sbcglobal.net)). The cost for the marker is estimated at about \$35.00. We would also suggest you read the "Conditions of Interment" on the new website.

Lanell Wisenant, one of the four Trustees of the Association, resigned in October due to medical needs for her family. Lanell will be missed and we pray for her and her family. A special "Called Meeting" was held at that time to fill the Trustee position as required by the Association By-Laws. A Nominating Committee was appointed and subsequently the Association Board elected two new Trustees, Jordan McConnell and Shelley Condon. Please welcome them and thank them for their volunteer service.

We appreciate the Tarrant County Sherriff's Office providing mowing this year saving us a considerable amount in mowing expenses. Our expenses are down and our donations and interest income are up, so currently our financial outlook is good. We are not self-sustaining at this point but projections are we will be at some point.

Whites Chapel Cemetery Association is a non-profit 501c 13 (cemetery) organization and strives for continuing care of this cemetery. As such, being a private non-perpetual care cemetery and managed by surviving family members, it totally relies on donations for its existence. Thank you for your continued support.

President, Michael McGarry
